

Skills 4all

Social skills groups for children and young people aged 8-18 who need support with communication

Sessions:

8-11yr olds, one Saturday a month
10am-12pm

12-15yr olds, one Saturday a month,
1pm-3pm

16-18yr olds, one Tuesday evening a month,
6pm-8pm

* All sessions are held on our premises in Congleton

Skills 4all is a service supporting children aged 8-18 who have a diagnosis of Autism or who are struggling with communication and social skills.

We offer:

- Structured groups, led by a qualified Speech and Language Therapist which focuses on developing and improving key social and communication skills
- Sessions focusing on real life scenarios to help children and young people develop social strategies to support them in day to day life
