

Miss Garside

Since I was a little girl, I always dreamt about being a teacher or a professional footballer! I have been lucky to achieve both in my lifetime.

I started my teaching journey at Gainsborough; as part of my teacher training programme back in 2014. Seven years later, I am still here and thoroughly enjoying myself! I have worked mainly in year's 4 and 5, but I am open to working with new year groups.

As most of you probably already know, I am in charge of PE and sport – I LOVE IT! I am very competitive and enjoy it when our children take part in sport competitions, especially town sports!

Away from school, I enjoy walking my dogs; Ralphie and Lola. They enjoy going to the woods and along the canal. In recent weeks, I have also taken an interest in cycling and exploring – I will cycle for miles!

As I am a Stokie – I will end this in a good 'ode' Stokie fashion.

'Tra duck!'
