

Gainsborough Primary & Nursery Academy Newsletter

4th July 2025

Dear Parents/Carers,

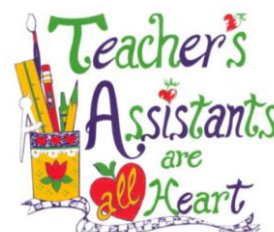

It was lovely to see so many of you at Parents' Evening this week. We hope that you enjoyed looking at your child's books and celebrating their successes with their class teacher.

Next Thursday will be the turn of parents of Year 6 pupils who will be able to discuss the child's SATs results. Please contact the school office if you haven't yet made an appointment.

On Monday our flooring replacement work will be beginning here at Gainsborough. You may remember that we informed you of the issues that we have been experiencing with the floor at the top of school which was laid incorrectly when the extension was built approximately 15 years ago. Consequently, the floor in this section of the school is in need of replacement. The Year 6 children will be moving out of their classrooms to allow the work to take place. We expect the work to be completed by the end of the summer holidays, with all of the Year 5 and 6 classrooms receiving a new floor. In the meantime, we will endeavour to keep the disruption to the children to a minimum as we head into the end of term.

We have completed our recruitment process and are now in a position to share with you the overview of teaching assistant support in each year group for September which can be seen below.

We are delighted to welcome two new members of staff to Family Gainsborough: Mrs Tusting and Mrs Tabulkan, who bring with them a wealth of experience.
